January 2018

Dear AP Student and Family:

The College Board Advanced Placement Examinations will be given starting on May 7, 2018 through May 18, 2018. As a student who is enrolled in at least one AP course at PHSCC, I encourage you to consider taking the AP Examination(s) in the area(s) which you have studied this year. By taking AP courses and AP Exams, you have the opportunity to earn credit and/or advanced placement for college.

The **2017-18 *Bulletin for AP Students and Parents*** is on our web site, which lists the dates and times for AP examinations. You can also visit the AP College board website for more information <https://apstudent.collegeboard.org/home>. Please note that the testing administration dates and times are determined by the College Board. Tests that start at noon will most likely run longer than a normal school day and transportation will be the responsibility of the student. Information on testing accommodations for students that have a documented disability can be found on page 7. Requests for accommodations and supporting documentation (if needed) must be received by College Board no later than February 23, 2018. Please contact **Joe Schertz, our Special Education Administrator and SSD Coordinator, at extension 815855 as soon as possible if you need to apply for accommodations.**

The cost for each AP Exam is \$94.00. To register for an AP Exam, please complete the registration form attached. If you have two AP Exams that are on the same date and time, or three or more AP Exams on the same date, you will need to take a late exam. Late exams fall on May 23<sup>rd</sup>, 24<sup>th</sup>, and 25<sup>th</sup> which is after graduation for senior students. **Registrations with payment should be turned into the freshman center office to my attention.** Financial assistance may be available for qualified students. Information regarding financial assistance can be found on page 2 in the bulletin. **Registration deadline is March 16, 2018.**

If you have any questions please feel free to contact your counselor, AP teacher, or myself. Thank you for your interest and attention to this important examination invitation.

Sincerely,

Jamie Soliman, PHSCC AP Coordinator  
Associate Principal Curriculum & Instruction
