What is beYOU-ty?

The be-YOU-ty project was started at Plainfield North in 2013 as a student-led event to "redefine beauty." It is an all-female retreat, led by students. Teachers and social workers will be there to supervise and assist when needed. It is being held at Plainfield Central for the first time on **April 21, 2018!** The program is designed to encourage self-worth and self-acceptance. We feel that these issues are prevalent in modern society and especially in our school. To combat this, we want to hold an event that promotes what we feel true beauty is: being yourself. We want people to accept themselves for who they are, rather than what society tells them to be.

If you are interested, the cost of the event is **\$10**, which includes a T-shirt and lunch. You would be responsible for transportation to school. Please see Mrs. Florence (1505) or Mrs. Capshaw (1612) for more information. We can hope to make this event a success, so please contact one of us as soon as possible.

**REGISTRATION FORMS AND FEES collected Feb 5-16 during lunch or BY MARCH 16.**  
NOTE – we will take on-site registration, but will not have shirts available.
