

Senior Banquet Information

Please note: This information is also posted on the school homepage. If any questions arise, be sure to contact Mr. Coventry either in person or through email.

- The banquet is on Thursday, May 16 from 6-10 PM at Prairie Bluff Golf Course in Lockport (Renwick Road).
- \$40 per ticket- tickets will only be sold online. The link will be on the PHS homepage. The direct link is www.ticketor.com/phs
- Ticket sales start at 12:00 AM on April 25th.
- Tables will be selected when ordering, so if you want to sit with friends, order at roughly the same time- also 'mousing over' a table will tell you how many tickets are available (there are 9 seats per table).
- The dinner will be buffet-style, so there will be food options with those who have vegan/vegetarian diets.
- Only 2018-2019 PHS graduates are invited and they may not bring dates (unless their date is another PHS 2018-2019 graduate).
- This event has never sold out in the past, but if it does (when the site says there are no seats available), you may see Mr. Coventry in Room 200 before school or during the study hall periods and purchase a 'party only' ticket for \$20 no later than May 14th at 1:30. This ticket allows entrance at 7:00 PM and will cover the senior awards and the dance.
- Anyone who buys a ticket while on social probation will not only be denied access to the event, but no refund will be issued.
- For those who have an athletic event, the buffet will be available until 8:00, so there will be no issue for you eating if you arrive late.

Night of the event

- The ticketor.com app will have your e-ticket on it- be sure to show the e-ticket along with your student ID to the faculty members at the check-in area to gain entry.
- Enter the west doors (the doors you will see first if coming down Renwick from Plainfield)- Be sure not to enter the main doors, as the golf course cannot let minors through their bar area.
- Sometimes, traffic can be problematic on Renwick Road during rush hour, so plan to arrive at 5:40 and if traffic is bad, you'll still be fine for 6:10 dinner.
- After dinner, the senior awards will start at roughly 7:00, but not earlier.
- After the senior awards, we will have a DJ and a dance until 10:00.
