Plainfield Central Student Services will be running virtual support groups this winter to help anyone who feels they could use some additional mental health support right now. Topics include but are not limited to: Coping with COVID,

Motivation for Change, Family Difficulties, Healthy Relationships, and New Student Support. We are asking students who are interested in participating in a group to sign up by a Google Form, located in their SEL Google Classrooms. Groups will begin the week of November 16th. Anyone with questions about the groups can reach out to Ms. Kwiatt(Social Worker) at jkwiatt@psd202.org or Mr. Bloodgood (Social Worker) at jbloodgo@psd202.org.
