BeYouTy Project

What is BeYOUty Project? The be-YOU-ty Project was started at Plainfield North in 2013 as a student-led event to "redefine beauty." It is an all-female retreat, led by students. Teachers and social workers will be there to supervise and assist when needed. It is being held at Plainfield Central on **April 30, 2022!** The program is designed to encourage self-worth and self-acceptance. We feel that these issues are prevalent in modern society and in school. To combat this, we want to hold an event that promotes what we feel true beauty is: being yourself. We want people to accept themselves for who they are, rather than what society tells them to be.

Save the date: April 30, 10am-4pm!

REGISTRATION FORMS AND FEES collected March 21-25 & April 4-8 during lunch. Registration will be taken until the day of the event in H168. *Must be submitted by APRIL 8 to get the shirt at the event.*

NOTE – we will take on-site registration, but will not have shirts available. If you are interested, the cost of the event is **\$10**, which includes a T-shirt and lunch. You would be responsible for transportation to school. Please see Mrs. Florence (H168) or Ms. Parker (K422) for more information. We hope to make this event a success, so please contact one of us as soon as possible.

NHS News

Our NHS members have continued to help the community throughout the winter months. Members have volunteered at St. Mary Immaculate Church's food drive events. Additionally, NHS members assisted in cleaning trails and the surrounding areas of the Lake Renwick Rookery. A Science fair was set up for greenhouse elementary schools by our members! Making posters and judging at the fair, our members made sure to encourage younger children and their projects. More food drives and local trail cleanups will close out the winter season for the 2022 National Honor Society.
